

E-SIGN DISCLOSURE AND AGREEMENT TO ELECTRONIC DELIVERY

This E-Sign Disclosure and Agreement to Electronic Delivery (this "Agreement") applies to all legal and regulatory disclosures and communications we may provide related to your eligible Accounts as well as products and services accessible through www.fnbbastrop.com or The First National Bank of Bastrop's mobile application and for which you elect to receive delivery from us in electronic form in lieu of receiving such disclosure or communication in writing, in the mail. Our Online Banking Service (the "Service") was designed and built to provide records to you in electronic form. You cannot enroll in the Service online without agreeing to receive the Online Banking Agreement and other disclosures delivered through the Online Banking Service in electronic form.

If you consent, we may also provide other disclosures in an electronic format. These disclosures may include but are not limited to the following:

- Updates or Amendments to our Online Banking Agreement;
- Monthly account statements, if you have opted-in for e-statements;
- Deposit account disclosures;
- Notice of change in account terms;
- Notice of fee changes;
- Responses to any questions you may have about electronic funds transfers;
- Privacy and security notices;
- Texas banking terms and conditions; and
- Other information related to your accounts with us.

Accounts may include, but are not limited to, Deposit Accounts (such as checking, money market and savings accounts), Time Deposit Accounts (such as Certificates of Deposit), Safe Deposit Box Accounts, and Loan Accounts.

The terms "we," "us," "our," and "Bank" refer to The First National Bank of Bastrop. The terms "you" and "your" refer to each person, entity, Account owner(s) or authorized signer(s) identified on your Account. The term "Account" means the account(s) you have with us now or in the future, including ones which we may permit you to open through Online Banking. "Electronic Communication(s)" refers to the electronic transmission of any disclosure or communication related to your Account and/or any product or service that we are required by law to provide to you in writing.

1. Scope of Communication to Be Provided in Electronic Form

When you give your affirmative consent to receive Electronic Communications, you may receive disclosures and communications for all Account(s), products, and services electronically in lieu of receiving that information in paper format, in the mail. Electronic Communications may change from time to time. Your consent to receive Electronic Communications applies to all customer agreements or amendments thereto, including, but not limited to, agreements and amendments containing information we are required by law to provide to you in writing.

We will always post our most current Online Banking Agreement on our website.

We may also send you an external email notice and/or secure message through our Online Banking Service to inform you where other important disclosures or account statements can be viewed on our website or within our Online Banking Service.

You may download or print all electronic notices and disclosures from your computer if you have the hardware and software described in the section entitled "Computer Requirements" below. You can also save copies of electronic notices and disclosures to your hard drive or other media for viewing and printing at a later time.

The Bank reserves the right to make additional types of Electronic Communications available to you. As part of the Online Banking enrollment process, we may ask if you want to receive electronic only versions of your account statements

(e-statements). If you enroll for e-statements and then later decide that you want to receive paper statements, you can "opt-out" of electronic delivery on the "Statements" page within the Service. After your opt-out request is processed, you will begin receiving paper copies of account statements and additional charges may apply. If you enroll for e-statements and then later close your accounts with the Bank, your access to the Service will also be terminated.

2. Electronic Delivery No Longer Available

The Bank reserves the right to discontinue providing any Electronic Communication in electronic form at any time. If an Electronic Communication will no longer be available, you may request a paper copy. We will notify you of any such change as required by law.

3. Change in Terms and Termination of Agreement

The Bank reserves the right, in its sole discretion, to change the terms and conditions of this Agreement at any time, or to discontinue the provision of Electronic Communications. We will provide you with notice of any such change or termination as required by law.

4. Method of Providing Electronic Communications to You

The Bank may deliver Electronic Communications to you by any of the following methods: (a) by posting a notice and making the information available to you through the Service; (b) by sending the information to an email address you have provided to the Bank; (c) by sending the information to a wireless device you have designated; (d) to the extent permissible by law, by access to a website that the Bank will generally designate in advance for such purpose; (e) by requesting you download a Portable Document Format (.PDF) file containing the Electronic Communication; or (f) by any other electronic means we have mutually agreed upon. Delivery of Electronic Communications by any of these methods will be considered "in writing," and you intend that the Electronic Communications have the same legal effect as written and signed paper communications.

5. Right to Withdraw Consent

You have the right to withdraw your consent to receive Electronic Communication for any of your Accounts. You may also withdraw consent by contacting the Bank by:

- Sending us a letter to 489 Hwy. 71 West, P.O. Drawer F, Bastrop, Texas, 78602
- Sending us a secure message through the Online Banking Service, or
- Calling us at (512) 321-2561

If you send us a secure message through the Service or write us a letter, please be sure to identify yourself and the applicable accounts.

At our option, we may treat your provision of an invalid email address, or the subsequent malfunction of a previously valid email address, as a withdrawal of consent to receive Electronic Communication. Any withdrawal of your consent to receive Electronic Communication will be effective only after we have a reasonable period of time to process your withdrawal. Your subsequent paper format Account statements and all other paper documents will be sent to the mailing address the Bank has on file for you.

If your Account type requires the receipt of Electronic Communication as a feature of the Account, and you subsequently opt to receive paper instead of Electronic Communication, we may, at our discretion, close your Account, or change your Account to a type that offers paper documents.

6. How to Update Your Records

It is your responsibility to provide us with a true, accurate and complete email address, contact, and other information related to this Agreement and your Account(s), and to maintain and update promptly any changes in this information. You can update information, such as your email address, within the Online Banking System or by contacting the Bank at (512) 321-2561. You must maintain a valid email address on file with the Bank as a condition of participating in Electronic Communication.

7. Computer Requirements

You are responsible for maintaining all software and hardware necessary for receiving, accessing, viewing and maintaining record of the Electronic Communications. By your acceptance of this Agreement, you represent that you will maintain all hardware and software necessary to receive, access, view and maintain (including, but not limited to saving and/or printing) any Electronic Communications provided to you. You must have:

- a valid email address on file with The First National Bank of Bastrop;
- a computer, mobile device, tablet or similar device with internet access and current browser software and computer software that is capable of receiving, accessing, displaying, and either printing or storing Electronic Communications received from The First National Bank of Bastrop; and
- sufficient storage space to view, download and save Electronic Communications (whether presented within the Online Banking System, in emails or .PDF) or the ability to print Electronic Communications.

We will notify you if there are any material changes to the hardware or software needed to receive Electronic Communications from us. By giving your consent you confirm that you have access to the necessary equipment and are able to receive, open, and print or download a copy of any Electronic Communications for your records. You may print or save a copy of these Electronic Communications for your records as they may not be accessible online at a later date.

You are responsible for the installation, maintenance, and operation of your computer or electronic device. We are not responsible for any errors or failures from any malfunction of your computer or electronic device, for any virus, other problems or changes that may be associated with the use of your computer or electronic device, including, for example, the cost of your Internet service provider.

8. Requesting Paper Copies

We will not send you a paper copy of any Electronic Communication unless you request it or we otherwise deem it appropriate to do so. You can obtain a paper copy of your Electronic Communication by printing it yourself or by requesting that we mail you a paper copy, provided that such request is made within a reasonable time after we first provided the Electronic Communication to you.

To request a paper copy, contact the Bank at (512) 321-2561. You may request paper copies of historical statements at the address listed above.

There are no fees or charges to access your Electronic Communications. Online Banking customers may request paper copies of disclosures such as this Agreement. We may charge you a reasonable service charge, of which we've provided you prior notice, for the delivery of paper copies of any Electronic Communication. We reserve the right, but assume no obligation (unless you request us), to provide a paper (instead of electronic) copy of any documentation that you have authorized us to provide electronically.

9. Communication in Writing

All communication in either electronic or paper format from us to you will be considered "in writing." You should print or download for your records a copy of this Agreement and any other Electronic Communication that is important to you.

10. Legal Section

You will ensure the confidentiality of your online banking password and you agree to indemnify, defend, and hold harmless the Bank and its successors, assigns, affiliates, officers, employees, directors, and agents against any loss, claims, damages, judgments, awards, legal obligations, costs or expenses, including without limitation, all fees, and expenses of the Bank's counsel based upon, arising out of, or related in any way to your consent to receive Electronic Communication.

11. Federal Law

You acknowledge and agree that your consent to Electronic Communication is being provided in connection with a transaction that is subject to the federal Electronic Signature in Global and National Commerce ("E-SIGN") Act, and that

you and we both intend that the Act apply to the fullest extent possible to validate our ability to conduct business with you by electronic means.

12. Consent Agreement

You hereby give affirmative consent for Bank to provide Electronic Communications to you as described herein. You further agree that your computer complies with the hardware and software requirements specified above and that you have provided us with a current email address to which we may send Electronic Communications for you.

By selecting "I Accept," you agree that you have read, understand, and agree to the terms and conditions of this Agreement and you consent to receive Electronic Communications. If you do not agree to the terms and conditions of this Agreement, you must exit enrollment in Online Banking and must *not* select "I Accept."

6. Additional Information About Basic Online Banking Features

(A) Stop Payment Feature

The stop payment feature within the Service is only for stopping payments on checks that you have written and provides a means to securely forward your stop payment requests to us for processing. The fee will be assessed according to our current account fee schedule and as noted in Section 9 of this Agreement.

In order to process the request, the Bank must rely on the information provided to describe the item(s). You must include the correct amount of the item, the correct check number, and the correct account number. If you do not give us the correct information, we may not be able to enforce the stop payment order. We will not be responsible if you do not describe the check accurately. Check stop payment requests will automatically expire at the end of six (6) months from the date submitted, unless we receive a request to renew the stop payment request.

Stop payment requests received through the Service will generally be processed within one (1) to two (2) Business Days. Therefore, if your request is urgent, we recommend that you contact our Customer Service Department directly via telephone or in person.

You agree to hold the Bank harmless from and against any losses, claims or costs (such as attorney fees) incurred by (1) payment contrary to this order if such payment occurs otherwise by a failure to exercise ordinary care, or (2) refusal to make payment of the stopped item.

The Bank shall not be liable if, as a result of payment of the item subject to this request, other items drawn by you are returned due to insufficient funds. You will notify us promptly of the issuance of a check or item, which is a duplicate of the check subject to this stop payment order, or upon return of the original check.

The Bank shall not be liable for payment of any item subject to a stop payment order upon the expiration or withdrawal of such order, and the Bank may, in its discretion, refuse to honor any such item pending your instruction. You may withdraw this stop payment order only in writing, by secure message through the Service or in person at one of our branch offices.

Other limitations on our obligation to stop payment are provided by law (for example, if we paid the item in cash or we certified the item prior to processing your stop payment order).

You will not be able to submit a stop payment through the Service for ACH transactions using your account number and routing number. You will need to contact Customer Service at 512-321-2561 for those requests. Also, you will not be able to use the Service to cancel transfers between accounts or electronic bill payments.

The stop payment feature within the Service CANNOT be used to cancel transfers and Bill Payments or debit card transactions.

(B) Secure E-Mail for Address Changes, Ordering Documents, and Check Re-orders

Additional features within the Service include: secure emails for address changes and document requests. The submission of requests, such as those for address changes, document requests, or check re-orders, will generate a secure email to the Bank. Generally, requests received through the Service's secure e-mail feature will be processed within one (1) to two (2) Business Days. For urgent requests, we recommend that you contact Customer Service by telephone or in person during regular business hours.

We also offer a secure direct link to Harland Clarke, our third party vendor for check reorders. This link will securely submit your reorder request directly to the check printer. There may be additional fees when you reorder checks through the Service. Fees will vary based on the style and quantity of checks ordered.

(C) Entitlements

CUSTOMER(S) WILL BE SOLELY RESPONSIBLE FOR DESIGNATING AUTHORIZED USERS AND ASSIGNING PRIVILEGES WITHIN THE SERVICE AND FOR REMOVING THOSE PRIVILEGES AS NECESSARY. You agree that you, and not we, are responsible for supervising all of your Authorized Users and monitoring the actions they take on your behalf, whether or not we provide tools for managing their authority. All transactions that an Authorized User performs on an account within the scope of the authority you grant through the Service, including any transactions you did not want or intend, including, but not limited to, accessing e-statements, are transactions authorized by you. You are solely responsible for those transactions, and we are not responsible for them. If you revoke or change the authority of an

Authorized User using the Service, only transactions that you did not want or intend and that the Authorized User performs after you change their authorization, and we have a reasonable opportunity to act on that notice, will be considered unauthorized transactions.

You are responsible for ensuring that each Authorized User maintains the confidentiality of his or her Login ID, Password, and other security information. You agree that each Authorized User will access and use each Eligible Account, and the Service, in accordance with the authority given to the Authorized User by the owner of the Eligible Account. Each time the Authorized User accesses, views, or transacts on an Eligible Account or through the Service, you represent and warrant to us that the Authorized User's action is authorized by the owner of the Eligible Account. If we receive conflicting instructions, or if we believe that an Eligible Account's security or our security may be at risk as a result of an Authorized User, we may at our sole discretion terminate the Authorized User's access to the Service, or an Eligible Account, or prevent the individual from being an Authorized User, without prior notice to you or any account owner.

(D) FNB Transfers

The FNB Transfers feature allows you to make a single transfer to another Bank account holder or link another Bank account holder's account (for deposit purposes only) to your online banking Login ID. If you plan to make more than one transfer to the other account holder, or if you need to create a recurring or future-dated transfer, linking the account is required.

In order to initiate an FNB Transfer, you must provide the recipient's e-mail address and the last four digits of their Bank account to indicate where the funds are to be deposited.

The recipient account holder must be an Online Banking customer at the Bank with a valid e-mail address in order to complete the FNB Transfer.

(E) Send Money

The Send Money feature allows you to send money to anyone using your debit card. This feature is further governed by the separate First National Bank P2P Service (Send Money) agreement you must agree to in order to use the P2P (Send Money) service. Additional information about this feature is available in the separate P2P Service (Send Money) agreement as well.

(F) External Transfers

The External Transfers feature allows you to transfer money between your First National Bank of Bastrop accounts and accounts at other financial institutions. In order to initiate a transfer to an External Account, you must first add the External Account to your online banking profile.

To add an External Account, you must enter both the routing number and account number of the External Account. This will generate a series of Micro Deposits into the External Account. You must be able to verify the amount of the Micro Deposits before the External Account is added to your online banking profile. Once these amounts have been verified, you will have access to transfer funds between your Bank accounts and any External Accounts you wish to add.

The business day cut-off time to originate a transfer to or from an External Account is 3:00pm CST.

For security purposes, limits to external transfers do apply.

(G) Financial Tools

The Financial Tools feature allows you to create a budget and categorize your spending. This feature is further governed by the separate MX Digital Money Management Services (Personal Financial Management Tools) agreement you must agree to in order to use the Financial Management Tools service. Additional information about this feature is available in the separate MX Digital Money Management Services (Personal Financial Management Tools) agreement as well.

9. Enrollment Process

You must complete the enrollment process to use the Service. You can enroll for the Service on the Internet at the Bank's website at www.fnbbastrop.com or on the Bank's mobile app.

Business Customers interested in the commercial features of the Service should contact our Customer Service Dept. at (512) 321-2561 or you may send us a secure message through the Service.

Once you enroll in the Service, there is no additional enrollment process to utilize a mobile device.

10. Linking Internal and External Accounts

When you first enroll in the Service, we will link all of your Bank accounts on which you are either the primary or joint accountholder to one Login ID.

With the exception of sole proprietors, Business Customers **may NOT** link personal Consumer accounts to the Business access.

If the Eligible Accounts added to the Service are jointly held or have multiple signers, you agree that access to the information and all transactions initiated by the use of your Login ID and Password are authorized unless we have been notified to cancel the Service.

You may also choose to link accounts that you have at other financial institutions to your Online Banking Login ID. In order to link an external account, you must enter your login credentials from such other financial institution, including your username and password. You may remove a linked account at any time.

11. Signature Requirements

When an online transfer, ACH, wire transfer request or other Payment Instruction is initiated through the Service for your benefit, you agree that we may debit the designated Eligible Accounts without requiring your signature on the item and without any notice to you.

If your account requires two signatures for withdrawal, you understand that we are unable to monitor or restrict the dual signature request.

Requirements for dual signatures on checks, if applicable, do NOT apply to Bill Payments or other transfers initiated through the Service.

You agree that any requirement of verifying two or more signatures on any item, such as checks, will not apply to electronic transfers, and we will have no liability when making these kinds of transfers without the requisite verification. This means that any person who is an authorized signer on your Bank account is authorized by you to individually make electronic transfers, even though that person's authority to transfer or withdraw funds from your Bank account by some other means (e.g., by check) must be exercised jointly with one or more other persons.

Authorized Users of Business Customers that may be assigned payment or transactional capabilities through the Service should be authorized by the Business Customer to make or approve electronic transfers, even though that person's authority to make transfers by other means may still require dual signatures.

If Authorized Users are not authorized persons on the signature card for each Linked Account, the Business Customer account owner(s) has the obligation to inform the Bank of the new individual or individuals with such authority. Such notice must be given to the Bank by calling us at (512) 321-2561. You may also write us at:

489 Hwy. 71 West
P.O. Drawer F
Bastrop, Texas 78602

12. Account Balances

Balances shown in your accounts may include deposits subject to verification by us. The balance reflected in the Service may differ from your records due to deposits in progress, checks outstanding, or other withdrawals, payments or charges. A transfer request may not result in immediate availability because of the time required to process the request. A transfer request must be made before the Online Banking cut-off time to be effective the same Business Day.

The balances within the Service are updated periodically and the Service will display the most current "as of" date on the "accounts" summary page. There may be situations that cause a delay in an update of your balances. The Service will use the most current balance available at the time of a transaction to base our approval for account transfers.

13. Canceling or Changing Wire Transfer Requests

Business Customers may be authorized for online wire transfer services. In these situations, separate agreements will detail wire transfer limits and the required time-frames for submitting and making changes to these types of transaction requests.

If you have been approved for wire transfers, you may edit or delete these types of transactions prior to "approving" the transactions.

When a wire transfer request is approved for the current date, it is transmitted to us immediately for processing. If a change is necessary, you must contact us **immediately**; in these situations, we may not have sufficient time to stop transaction from further processing. Wire cut-off time is addressed in the separate wire transfer agreement.

14. Transaction Limitations

You may use the Service to check the balance of your Eligible Account(s) and to transfer funds among your Eligible Accounts at the Bank. You must have sufficient funds in your account to cover the amount of any online transfers and Bill Payments on the scheduled payment date set for the transaction, or the transaction may not be processed. NSF and/or overdraft charges may be incurred if Bill Payments exceed your account balance.

Current federal regulations restrict the number of transactions that you can make from certain types of accounts, such as Money Market and Savings Accounts. For these types of accounts, you may not make more than six (6) pre-authorized (automatic) electronic funds transfers (EFTs), during a given monthly statement period. Online account transfers and bill payments are counted toward the six permitted monthly transfers. Please refer to your original account agreement for excessive activity fees that may apply. Federal regulations currently place no limits on the number of transfers or Bill Payments from your checking or NOW accounts, therefore the Bank currently limits the Bill Payment service to only checking or NOW Accounts.

15. Privacy

We understand how important privacy is to our customers. We have taken steps to protect the privacy and security of your personal information as well as your financial transactions with us. You must read our Privacy Policy and Notice before completing the enrollment process for the Service. Our Privacy Policy is available at www.fnbbastrop.com/privacy-policy.

(A) Disclosure of Account Information to Third Parties

It is our general policy to treat your account information as confidential. However, we will disclose information to third parties about your account or the transactions you make ONLY in the following situations:

- Where it is necessary for completing transactions;
- To offer our products and services to you;
- Where it is necessary for activating additional services;
- In order to verify the existence and condition of your account to a third party, such as a credit bureau or Biller;
- In order to comply with a governmental agency or court orders; or
- If you give us your written permission.

Please refer to our [Privacy Policy](#) for additional detail on disclosure of account information.

16. Internet Security

The Services utilize a comprehensive security strategy to protect your accounts and transactions conducted over the Internet.

Login ID and Passwords - One of the main security features protecting the Services is the unique combination of your Login ID and Password. During the enrollment process, you will be asked to select a unique Login ID and Password. For security purposes, do not use your account number or social security number as your Login ID. Encryption and access controls are used to protect your Password within our database. If you need to reset your Password, you may use our online automated Password reset feature or you may contact the Bank during regular business hours.

Because your Password is used to access your accounts, you should treat it as you would any other sensitive personal data.

- You should carefully select a Password that is difficult to guess.
- You should **not** use words based on your name, address or other personal information.
- Special characters may be used to increase security.
- Do **NOT** use dictionary words.
- Keep your Password safe.
- Memorize your Password and do **NOT** write it down.
- You should also change your Password occasionally, such as every 90 days.
- Passwords should not be shared with anyone, even Authorized Users.

You agree to change your Password immediately if you suspect that your Password has been compromised.

NEITHER THE BANK NOR ITS SERVICE PROVIDERS WILL CONTACT YOU BY TELEPHONE, EMAIL OR TEXT MESSAGING REQUESTING PERSONAL INFORMATION, SUCH AS YOUR LOGIN ID, PASSWORD, CREDIT CARD NUMBER, DEBIT CARD NUMBER OR PIN. IF YOU ARE CONTACTED BY ANYONE REQUESTING THIS TYPE OF INFORMATION, DO NOT PROVIDE ANY INFORMATION AND CONTACT OUR CUSTOMER SERVICE DEPARTMENT IMMEDIATELY.

Encryption - The Services use the Secure Socket Layer (SSL) encryption technology for everything you do while using Online Banking. Your browser automatically activates this technology when it attempts to connect to our Online Banking Services. The Services require a browser that supports commercially reasonable level of encryption and we will warn you if your browser does not meet this requirement.

Whenever SSL is securing your communications, the browser will typically indicate this *secure session* by changing the appearance of a small icon of a padlock at the bottom of the screen from "open" to "locked". What this means to you is that your communications are scrambled from your browser to our servers at all times so no unauthorized party can read the information as it is carried over the Internet.

Certificate Authority - The servers hosting the Online Banking Services have been certified by a certificate authority to assure you that you are actually talking to the Online Banking Services instead of someone pretending to be us. By clicking on the lock within the Online Banking Services, you can view the certificate to ensure it's valid.

Cookies - During your use of the Online Banking Services, our Online Banking Service Provider will pass an encrypted *session cookie* to your computer that enables us to process multiple transactions during the session without having to provide a Login ID and Password for each individual transaction. You must accept this cookie to use the Online Banking Services. The *session cookie* is stored on your computer's hard-drive, identifying your computer while you are logged on. The *session cookie* does not contain any personal information. When you log off, close your browser, or turn off your machine, the *session cookie* will be destroyed. A new cookie is used for each session; thus, no one can use the prior cookie to access your account. Our Service Provider also uses persistent or "permanent" cookies to identify the Bank and your computer as part of our enhanced security. The permanent cookies will remain on your computer's hard drive until you clear cookies with your browser. If you do not accept these cookies, you may not be able to use all the features of the Online Banking Services.

Multi-Level Authentication – A Secure Access Code will be generated upon enrollment and will be required to complete the enrollment process. This 6-digit code could also be required for Business Customers utilizing dual authentication. Once the Secure Access Code is successfully entered, the user will be prompted to register their device. Multiple devices may be registered by the user. Logging in from a registered device will not require use of the Secure Access Code; however, logging in from an unregistered device will generate a Secure Access Code. The Secure Access Code will be delivered to the mobile number on your customer profile.

17. Your Security Obligations

YOU ARE SOLELY RESPONSIBLE FOR THE MAINTENANCE, INSTALLATIONS, AND OPERATION OF YOUR COMPUTER INCLUDING BUT NOT LIMITED TO THE USE OF UPDATED ANTI-VIRUS PROTECTION.

NEITHER THE BANK NOR ITS SERVICE PROVIDERS SHALL BE RESPONSIBLE FOR ANY DELAYS, ERRORS, DELETIONS, FAILURES, OR DISCLOSURE OF PERSONAL OR BUSINESS ACCOUNT INFORMATION THAT MAY OCCUR AS A RESULT OF ANY VIRUS, TROJAN, SHARED PASSWORD, OR MALFUNCTION OF YOUR COMPUTER OR SOFTWARE OR YOUR FAILURE TO ADEQUATELY MAINTAIN AND SECURE YOUR COMPUTER AND SOFTWARE.

- All Authorized Users should sign-off after every session. While online sessions will automatically end after a period of inactivity, logging off can help protect you in case you accidentally leave your computer unattended.
- Refrain from using public computers (e.g. computers in a library, Internet cafe or hotel business center) to access your online banking accounts. The security of public or shared computers cannot be assured.
- Always keep your computer's operating system and browser fully patched for critical security issues. We recommend use of the most current, fully patched, versions of Internet browsers for accessing the Online Banking Services.
- Always keep your anti-virus and anti-spyware software current and routinely scan your computer, servers, and electronic media using reliable virus detection and anti-spyware products. Undetected or un-repaired viruses or malicious software (malware) may affect the performance of your computer or mobile device, corrupt and destroy your programs, files, and even your hardware. Furthermore, undetected or un-repaired viruses or malware may affect the security of online accounts and the privacy of personal information stored on your computer. If your computer is compromised by some form of malware, virus, or Trojan, you could unintentionally transmit sensitive account information or personal data to another third party or transmit a virus to other computers.
- Always use a firewall product (hardware and/or software), especially if you have a broadband Internet connection such as DSL or cable modem.
- If you use a wireless Internet connection to access your online accounts, make sure that the wireless network is encrypted.

Occasionally we may post important security notices on our website and/or send online banking users security related notices or reminders; it is your responsibility to read all security notices.

Please refer to Section 21 for consumer protections under Regulation E.

18. Protecting Your Password

When you or your Authorized Users accept the terms and conditions of this Agreement, you agree not to give or make available your Password or other means to access your account to any unauthorized individual(s). You are responsible for all transactions authorized or requested through the Online Banking Services using a valid Login ID and Password, including those situations when your Login ID and Password are obtained due to compromise to your computer. If you permit other persons to use the Online Banking Services with your Password, or other means to access your account, you are responsible for any transactions they authorize.

If you believe that your Password or other means to access your account has been lost or stolen or that someone may attempt to use the Online Banking Services without your consent or has transferred money without your permission, you must notify us at once by calling (512) 321-2561 during customer service hours. You can also contact us by sending a secure message through the Online Banking Services.

IF YOU OR YOUR AUTHORIZED USERS DISCLOSE YOUR PASSWORD TO ANYONE, AND/OR IF YOU ALLOW SOMEONE TO USE YOUR PASSWORD TO ACCESS YOUR ACCOUNTS, YOU ARE AUTHORIZING THEM TO ACT ON YOUR BEHALF AND YOU WILL BE RESPONSIBLE FOR ANY USE OF THE ONLINE BANKING SERVICES BY THEM (E.G., SUCH AS WHEN YOU PROVIDE THIS INFORMATION TO A JOINT ACCOUNT HOLDER, AN EMPLOYEE, AN AGGREGATION SERVICE PROVIDER, OR WHEN YOUR PERSONAL COMPUTER IS COMPROMISED BY A KEY STROKE LOGGING VIRUS OR ANY OTHER TYPE OF MALWARE).

You agree that we may send notices and other communications, including Password change confirmations, to the current address shown in our records, whether or not that address includes a designation for delivery to the attention of any particular individual.

19. Our Liability for Failure to Complete Transactions

We will use commercially reasonable efforts to make all your transfers and Bill Payments properly. However, we shall incur no liability and any Bill Payment Service Guarantee shall be void if we are unable to complete any transactions initiated by you because of the existence of any one or more of the following circumstances:

1. If, through no fault of ours, your Eligible Account(s) and/or Payment Account does not contain sufficient funds to complete the transaction or the transaction would exceed the credit limit of your overdraft account (if applicable);
2. The Service and/or the payment processing center are not working properly and you know or have been advised by the Bank and/or its Service Providers about the malfunction before you execute the transaction;
3. You have not provided the Service with the correct Payment Account information, or the correct name, address, phone number, or account information for the Biller;
4. Your Eligible Account(s), including either your Payment Account or Billing Account, is closed;
5. If your computer, software, telecommunication lines were not working properly and this problem should have been apparent to you when you attempted the transfer or Bill Payment;
6. It can be shown that the Biller received the Bill Payment within the normal delivery timeframe and failed to process the payment through no fault of ours;
7. The payment or transaction request involves funds subject to hold, dispute, restriction, or legal process we believe prevents their withdrawal;
8. We have reason to believe that a payment or other transaction request may not be authorized by you or any third party whose authorization we believe is necessary; and/or
9. Circumstances beyond control of the Service, our Service Providers, and the Bank (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and we have taken reasonable precautions to avoid those circumstances.

Provided none of the foregoing exceptions are applicable, if the Service causes an incorrect amount of funds to be removed from any of your Eligible Account(s), or Payment Account, or causes funds from your Payment Account to be directed to a Biller, which does not comply with your Payment Instructions, the Bank and/or its Service Providers shall be responsible for returning the improperly transferred funds to your Payment Account, and for directing to the proper Biller any previously misdirected transactions, and, if applicable, for any late payment related charges.

20. Documentation and Verification of Payments and Transfers

If we decide to do this, we will provisionally credit your account within ten (10) Business Days for the amount you think is in error. If your monthly account statement contains transfers that you did not authorize, you must tell us at once. If you do not tell us within sixty (60) days after the statement was sent to you, you may lose any amount transferred without your authorization after the sixty (60) days if we can prove that we could have stopped someone from taking the money had you told us in time. 35. Governing Law and Relation to Other Agreements

Accounts and Services provided by the Bank may also be governed by separate agreements with you. This Agreement supplements any other agreement(s) and/or disclosures related to your Eligible Account(s) and provided to you separately. If this Agreement conflicts with any other agreement you have with us, then this Agreement will control and take precedence, but only to the extent necessary to resolve the conflict or inconsistency. In the event of an inconsistency between a provision of this Agreement and the Texas Uniform Commercial Code, or any other law or regulation which permits waiver or modification by agreement, the provisions of this Agreement shall prevail.

This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to its conflicts of laws provisions; provided, however, that any dispute solely between you and our Bill Payment Service Provider shall be governed by and construed in accordance with the laws of the State of Georgia, without regard to its conflicts of laws provisions. In addition, any dispute arising from or related to your accounts with the Bank or the Service shall also be governed by federal laws and regulations, Federal Reserve Bank Rules and Operating Circulars, local clearing house rules, Automated Clearing House rules, and general bank practices applicable to similar types of accounts.
